

Security Update: New Building Lobby Elevator Access Turnstiles (Effective June 15th)

We look forward to welcoming you to City Club! To ensure a smooth arrival for dining, workouts, meetings, or events, please review the new entry procedures below.

Best Route: Bypass Turnstiles via Garage 1

- **Park in Garage 1** to completely bypass the new lobby turnstiles.
- **Take the skybridge** across to the City Club escalator.
- **Head straight to reception** where our team will check you in and guide you.

Access Rules by Member & Guest Type

- **Executive/Full Members:** Use your current key card or fob to scan through the new lobby turnstiles for Grill Buffet and Fitness Center access.
- **Social Members:** Skip the turnstiles. Park in Garage 1, use the City Club escalators to enter, and use internal Club elevators to move between levels.
- **Guests & Attendees:** Follow the Garage 1 route above for the easiest entry.

Elevator & Accessibility Needs

If you or your guests require lobby elevator access to enter the Club, please:

- **Notify the Club** in advance for seamless assistance.
- **Request access** directly from the security officer on duty at the turnstiles.

Need Help?
