FORT WORTH

WEDDINGS & SOCIAL EVENTS

The City Club of Fort Worth has three unique and elegant rooms to accommodate a variety of guest counts and a variety of event décor styles. Each of these rooms comes with their own personality and aesthetics, and all offer the fabulous food and service that City Club Fort Worth is known for. The Ballroom is the largest of these rooms and showcases incredible natural lighting. It features ceiling to floor windows, stunning chandeliers, and plenty of mirrored surfaces to showcase food, flowers and guests. The Oak Room, the next size down, is decorated in elegant oak wainscoting and trim, and includes a stunning built in oak bar, original art, and an old-world feel. The President's Room, great for more intimate events, is often used alongside the 4th Floor Gallery. The President's Room offers a more modern, light-filled space, with access to a balcony for some incredible views of Bass Hall and downtown Fort Worth. These rooms can be used on their own, as separate cocktail hour spaces or even as a ceremony setting. You do not need to be a member to have an event here. But you will want to join after seeing the City Club's beautiful rooms, where the possibilities are endless and where you and your guests will have a memorable experience of a lifetime.

HOSTED BAR PACKAGES

Bar Package Estimate Prices Per Person–On Consumption

Bar Estimates Per Person is based on the total number of guests guaranteed by the host. Final billing for all beverages will be calculated based on actual consumption.

Estimates do not include service charge or sales tax.

This estimate does not include bartenders. Bartender fees are $200 plus sales tax and service for a standard 4-hour event or less. Bartender overtime fees are $50 per hour over 4 hours plus sales tax and service charge. One bartender for every 50 to 75 guests will be needed depending on what you are serving. Bar setup fees are included in room rentals, except in cases where a guest chooses to add and additional bar setup (more than one) in a separate room.

4-Hour Event Estimation

Beer, Wine and Champagne (House Brands)	$50
House Brand mixed drinks plus beer, wine and champagne	$55
House Brand Premium mixed drinks plus beer, wine and champagne Upgraded House Premium Brand mixed drinks plus beer, wine & Champagne	$65 $75

To calculate estimated drinks for a party or reception, multiply the number of guests by the duration in hours and factor at least 1.5 drinks per hour. If hosting a smaller event or a shorter duration event, estimate 2 drinks per hour.

Always use the highest-priced beverage provided and add an additional drink if you have heavy drinkers attending. Add .5 drinks per person for toasts, or wine passed during cocktail hour.

It is okay to estimate on the higher end with a consumption bar. If not needed, and you have over paid based on what was consumed, you will receive a refund after the event is over.
